## DR. KATHRYN FAUGHEY SCHOLARSHIP FUND

Dear Mater Christi Alumni,

Those of you who graduated in 1969 may well remember our sister, Kathryn, as a much liked and respected classmate. Those of you who were not in her class may have heard of her as the Psychologist who was brutally murdered in her Upper East Side Manhattan office last year. In either case, I'm sure many of you were touched by her in some way.

Our sister loved education and, as a hard working student, she truly enjoyed her four years at Mater Christi. Upon graduating, Kathryn proceeded to work her way through college, graduate school, and her Doctorate degree, always with the burden of supporting herself, and paying for both her education and living expenses. She knew firsthand how difficult it can be to pursue a dream while battling all the obstacles that life can throw one's way.

Kathryn was taken from us suddenly but her memory and her legacy live on. The good she did for countless patients, who came to her with troubled minds, was immense. One might wonder about exceptional people like Kathryn – who they are and how they achieved their success. And, perhaps not surprisingly, it starts with a love of learning. We feel that there are many other young men and women who, just as Kathryn did, are starting out their lives with similar dreams and desires. And we also feel that sometimes they need a little financial help to achieve these dreams.

With that thought in mind, we have formed the Dr. Kathryn Faughey Scholarship Fund, in conjunction with the St. John's Prep alumni association. We hope to be able to make a financial award annually to one deserving freshman, sophomore, or junior. We ask for your help to make this possible.

Please consider making a donation to the fund, through St. John's Prep. All donations to this fund are 100% tax deductible, and subject to whatever matching funds your employer may offer.

Let's keep Kathryn's memory alive; let's hold her in our hearts, and do some good in her name.

Thank you,  
The Faughey Family
