## Cholewa, Victoria Louise

June 23, 1956 - July 21, 2015

Victoria Louise Cholewa, born June 23, 1956, was the youngest of 4 children and the only girl, born to Ignacious and Victoria Josephine Cholewa. Although born and raised in Queens, NY, Victoria would move to TX in the early 90's and would ultimately call The Colony, TX home until her passing on July 21, 2015. Victoria found joy in gardening, music, watching football, and taking care of her 2 dogs – Turdle and Maggie. She devoted her life to her children (Nicole and Eugene), her grandchildren (Tre', Eva, and Rocky), her faith, and her work.

In addition to her children and grandchildren Victoria leaves to mourn her 3 brothers (Alan, Steve, & Peter), her sister-in-laws (Linda & Sheila), her son-in-law (Emmerson), her future daughter-in-law & children (Vanessa, Philip, Tony, Zavier, & Maxwell) and a host of family and friends that will miss her dearly.

Please send the family condolences and share memories on this website.

I wanted to pass on my condolences to the family. Victoria was a great person always high on life and very positive. The time I worked with her at T-Mobile is a cherished memory. I always loved her stories about her puppies and the love she expressed surrounding her entire family. She was truly an amazing woman and will be greatly missed. Once again I am so sorry for your loss.
