Jimmy D was a warm hearted teacher and co-worker. He was always pleasant and friendly regardless of the situations he faced. I consider it a blessing to have met and worked with him. He will be greatly missed. My condolences to his family.

Jim was one of the finest men I have ever known. I am forever grateful to have been a part of his life, and to have shared so many happy times with him. Jim was my brother, in the truest sense of the word, and I will miss him.

In memory of a good friend from our college days at St. John's. Later meeting him again at La Salle Military and finally having the privilege to work with him at Martin de Porres helping all those kids. It was an honor and I will miss him.
