

Sisters,

Please pray for the repose of the soul of Sister Mary Josita Walsh, RSM, age 94, a member of the Mid-Atlantic Community, who died Monday, January 15, 2018, at Southside Hospital in Bayshore, New York. She is the aunt of Sister JoAnne Marie Walsh, RSM, also a

member of the Mid-Atlantic Community, and the sister of Sister Mary Eymard Walsh, RSM, a member of the Brooklyn Regional Community who died in 1995.

In her 74 years as a Sister of Mercy, Josita ministered for over 30 years as a teacher in the dioceses of Brooklyn and Rockville Centre, New York. She also served as a canonical attorney for 20 years in the tribunal of the diocese of Brooklyn where she made many lasting friendships. Blessed with a brilliant mind, fun-loving spirit and love of people, especially for her Mercy community, Josita enlivened every conversation.

Josita happily moved to Maria Regina, a senior residence in Brentwood, New York, only a few months ago where she surprised the staff with her Halloween candy basket.
