

Mater Christi High Holds First Graduation Exercises

The first graduating class of Mater Christi Diocesan High School received diplomas at two commencement exercises—one for boys and one for girls—yesterday in the auditorium on the Astoria campus.

The Girls Division graduated 537 and one hour later the Boys Division gave diplomas to a class of 328.

Opened in 1961, the high school has a capacity of 1,500 girls and 1,500 boys in two separate divisions run by the Sisters of Mercy and the Christian Brothers, respectively.

CARMEN Sirianni of Flushing was valedictorian of the boys division and received The Star-Journal Valedictory Medal.

The Star-Journal Salutatorian Medal went to Richard Bonanno of Maspeth, while Edward Jawor of Astoria earned the athlete-scholar award.

The leading male student

in Mater Christi, with a seven term average of 96.5 per cent, Sirianni received a State Regents scholarship, a National Merit Letter of Commendation, a tuition scholarship to Manhattan College, and a Mayor's Achievement Award, among others.

BONANNO had a seven term average of 96.0 per cent and was awarded a Regents scholarship and a National Merit Letter, a Mayor's Achievement Award, a Kiwanis Club of Maspeth grant and a scholarship to Manhattan College.

The co-captain of the school track team and a record holding shot putter, Jawor won Regents and Manhattan scholarships, the Mayor's certificate and honorable mention in the scholarship competition of Truck Drivers Local 807.

All three Star-Journal winners plan to attend Manhattan College.

HIGHEST honors in the Girls Division and a Star-Journal Valedictory Medal went to Maria Roach of Maspeth who kept up a 97.3 average, and won Regents and St. John's University scholarships. She will go to Brooklyn College in the fall to study physical education.

Rosemary Delendick of Queens Village was second in her class and recipient of The Star-Journal Salutatorian Medal.

Choosing from five scholarship offers, Miss Delendick has decided to attend St. Thomas Moore College of Fordham University.
